Headdon Village Hall presents Lucy Ward

Saturday 18th April at 7.30pm. Tickets £10

Lucy Ward is an award winning acoustic artist from Derby. She plays guitar, ukulele and concertina but considers her voice to be her first instrument.

After getting her first guitar at the age of 14, Lucy ventured into acoustic clubs, it was there that she first heard the traditional music that she now loves. Captured by the lyrics and stories of traditional song Lucy delved further into the world of folk music, visiting clubs and sessions up and down the country before getting booked to play gigs in her own right. In 2009 Lucy reached the final of the BBC Young Folk Award and she hasn't looked back since!

After winning the Horizon Award for best newcomer at the 2012 BBC Radio 2 Folk Awards, Lucy's career has gone from strength to strength establishing her as one of the hottest performers on the UK Folk scene, pulling a full capacity audience for her Cambridge Folk Festival debut.

In 2013 it was announced that she had been nominated for the acclaimed "Folk Singer of the Year" at the 2014 BBC Radio 2 Folk Awards, making Lucy one of the youngest people ever to be nominated for this most prestigious award.

Anyone interested in standing or wanting to know further details should get in touch with either the Parish Clerk, Karen de Torre or the Returning Officer, Queens Buildings, Worksop S80 2AH before the 9th April.

Astrological Events

As well as the recent solar eclipse we experienced on Friday 20th March, if you looked up towards the heavens over that weekend you would have seen the crescent moon and Venus together in the night sky.

We only achieved around a 90% solar eclipse in the Midlands, which is why it didn't go completely dark. However, if you missed it, the next time we will experience a similar eclipse level in the UK will be on the 12th August 2026.

The moon and Venus over the sky in Oxford. (where I was visiting for the weekend)
