## December Events

The Village Hall Tea Party combined with the Christmas Raffle was attended by around 25 people in the middle of the month. The main prize of a Christmas hamper was won by Joan Mudford.

Just over 40 people attended the News Years Eve Party at the Village Hall. Originally aimed as a fund raiser for Cancer Research, the event unfortunately failed to break even. Thanks to all who helped out on the evening.

## A look back to Parish News 1914-18

As the January Parish Council Meeting is being held a bit later in the month I have had a look at the Parish records to see what was being discussed in the Annual Parish Meetings during World War I. You can see from the discussions below just how much things have altered (or not) over the last hundred years.

### 1914

The Chairman had received a letter from East Drayton post office regarding the state of the footbridge over the beck between Upton and East Drayton. The Chairman was asked to speak to the Chairman of the Askham Meeting to try and solve the matter.

### 1915

The Chairman reported he had met with the Askham Chairman regarding the footbridge and the matter had been resolved. A new County rate was discussed and accepted

### 1916

A letter had been received from Mr Wood at Prospect Farm regarding the bad state of the footbridge between the parishes of Upton and Askham.

On the 28th March a very violent storm had passed over the county doing a tremendous amount of damage. In this parish a famous old oak tree (several hundred years old) was blown down. It was known as the Southing Oak as it stood in the NW corner of the Southing.

Residents were reminded of the new law as a result of zeppelin raids. This requires that all windows must have dark blinds and that no lights must be visible from the outside.

### 1917

A special meeting was called to ascertain for the County War Agricultural Committee what quantity of seed potatoes would be required for the parish next spring. Mr Len Parsons applied for 16cwt.

### 1918

An application was made to the County War Agricultural Committee for one ton of seed potatoes. It was announced that Glebe Farm and its land in the parish of Headon cum Upton was to be sold. This was achieved in February 1919 in a sale organised by H Spencer & Sons.

## **Marjorie Emily Brailsford 1923-2014**

Long standing resident Marjorie Brailsford passed away on the 6th December, aged 91. The following is a précis of a tribute which was read at her funeral.

Born Majorie Emily Starr on the 9th April 1923 at Clarborough, she was the 2nd of four daughters to Jack and Millicent. The family moved to Little Gringley from where she used to walk to school in Grove.

The family moved to Upton and Marjorie started work at Simpsons shop in Carlegate, Retford. On marrying Hubert, the couple moved to the Homestead in Nether Headon, where her three children Gillian, Roma and Robert arrived. At one time there were four generations living under the same roof. To make ends meet she would earn extra pennies by scything nettles and thistles at Ogles and making pork pies for Frank Horne at Rampton.

Marjorie has always been very active in the village, especially with the Church, acting as Church Warden for 40 years, the Parish Council and Chairman of the Village Hall Committee and a bit further back with the Headon Repertory of Thespians.

Over the past few years her health deteriorated until her demise in Westvilla Nursing Home on the 6th December.
