## Show you care by joining WWF's Earth Hour

26 March 2011, 8.30—9.30pm or more if you wish!

Earth Hour has grown to become a truly global event. WWF's Earth Hour is the world's largest display of hope for a bright future. From London to Sydney, New York and Singapore, people all across the world will be switching out their lights to show they care about tackling climate change and protecting the natural world.

From its debut in Sydney, Australia in 2007, WWF's t. By 2010 hundreds of millions of people in 128 countries and 4,000 cities had participated, with some of the world's best known landmarks, including the Eiffel Tower, the Empire State Building and the Great Pyramids, switching off.

## St. Peter's Church

The Church needs volunteers to clean and to do the flowers in church. If you could help with either or both of these once in a while, please let me know (248282), and I will put your name on a rota.

## Easter raffle

I will shortly be calling round with raffle tickets. Please, if anyone could help in selling these, it would be really appreciated!

## Easter Feast

In order to commemorate the Royal Wedding, we have decided to hold the Easter Feast six days later than usual, on the day of the wedding, April 29<sup>th</sup>. It will follow the same format as in previous years, but instead of an Easter bonnet competition we will have a wedding hat competition, for ladies and gentlemen! As before, the Easter raffle will be drawn on that evening, as will the Grand 200 Club draw. Of course, we can promise you a good meal!

## Parish Council Election

Parish (and District) Council elections will be held on 5<sup>th</sup> May. If you want to stand for the Parish Council you can obtain a nomination form from the Returning Officer at Worksop Town Hall, tel: 01909533533.

The closing date for submission of nominations is **noon on Monday 4<sup>th</sup> April.**

## **Parish Council News**

**Notes from the Meeting held on Monday 7<sup>th</sup> March 2011**

### **Parish Council Election 2011**

Councillors' four year terms of office end this year and there are both District and Parish Council elections in May. There are 5 seats available for Headon-cum-Upton, 3 seats for Grove and 3 seats for Stokeham. As there have been two vacancies at Grove for some considerable time this is an ideal time for residents to come forward to represent their village on the Parish Council. Nomination forms for Grove are available from Cllr. Jonathan Wallwin and nomination forms for all villages are available from the Returning Officer at Worksop Town Hall, by phoning 01909 533533. The closing date for submission of nominations is **noon on Monday 4<sup>th</sup> April**.

### **Severe Winter Weather**

The Parish Council has taken huge steps towards assuming responsibility for snow clearing in the parish. Risk assessments and insurance concerns have been resolved and the project is underway and with the help of a grant from the County Councillor, John Hempsall, the Council will be buying a snow plough blade. A volunteer driver has been identified in the parish and the plan will be to clear the roads within the villages of Headon-cum-Upton, Stokeham and Grove during periods of heavy snowfall and to ensure that village residents can get to the Rampton to Retford road which is generally cleared and gritted. The snow plough blade will be kept in the parish and readily available.

### **Flooding Issues**

We are assured by Nottinghamshire County Council that works to resolve the flooding issue on Thorpe Street, Headon, will be underway shortly. A new headwall unit is to be installed on the pipe inlet. Works will also incorporate the field drain run off from the adjacent field. Completion is scheduled for the end of March.

### **Community Emergency Plan**

The emergency plan is still progressing steadily, with lists of vulnerable places, volunteers and available equipment being updated. A meeting took place once again after the parish council meeting to move the plan forward further and it is hoped that the plan will soon be finalised.

## **Police Report**

Three crimes were reported in the area since the last meeting:

19/01/11 - Headon Camp – Burglary dwelling (caravan)

24/02/11 - Church St, Headon – Attempted theft of heating oil

24/02/11 - Drayton Rd, Stokeham – Theft of metals

The main problem currently is theft of heating oil with some large quantities being stolen locally. The thefts seem to occur within a short time of a delivery and the thieves tend not to empty the tank so the victim may not be aware of the theft until some time afterwards.

## Village hall

At its recent meeting the committee discussed ideas for future events, and decided to hold a quiz in May and a BBQ and Skittles afternoon/evening later in the summer.

The AGM is to be held on April 18th. at 7.30. As always, everyone is welcome to attend, and new members would be especially welcome. Why not come and add your support?

**Cinema**—the next film is *Made In Dagenham* (15) on Saturday April 2<sup>nd</sup> at 7.30, starring Sally Hawkins, Bob Hoskins, Geraldine James and Miranda Richardson.

## Running around our parish

I agreed wildly to do a sponsored Clumber park 10K run last October to raise funds for Pippins preschool and toddler group. I dutifully started running, managing only 20mins on my first trip. Over the weeks I built up to doing the "loop" around the air-field bridlepath.

Looking for a change of scene I bought a good OS map of the area and decided to start running some of the many designated footpaths around Headdon and Upton. I took Harry the dog with me as always.

I soon learnt that I had to wear long trousers, not just to protect the car drivers from a shocking sight, but to protect my legs from the huge nettles, thistles and crops I had to run through. Some gates were literally sealed shut with overgrowth and I had to force myself through tiny gaps in hedges where the only evidence of a path was a dilapidated wooden sign. I certainly found many beautiful spots and wondered why no-one else had.

When I tried to emerge from the footpath immediately adjacent to the Church I was scuppered, the stile was so overgrown I couldn't get to it and certainly once I finally managed to clamber over the gate I couldn't get Harry to follow me, so had to re-trace my steps. Great for fitness!

My runs became cross country endurance and I wonder how walkers cope?

I have been depressed by the state of the paths. Some go through peoples gardens and are clearly well cared for, but the majority of footpaths are so under used that I'm sure they will disappear.

p.s still running...:-)
