Headon Village Hall Presents

Cardboard Fox

Saturday 19th November at 7.30pm.

Tickets £12/ £10 concessions

Winners of the 2015 Spiral Earth Award for Best Debut, **Cardboard Fox** are an exciting new four with a fast growing fan base.

All four musicians have their roots in bluegrass music but their collective influences reach much further and this shows in their music. Formed in late 2013 in Bath, England, the band features the sibling harmonies of Charlotte and Laura Carrivick (the Carrivick Sisters) on guitar/vocals and fiddle/vocals respectively, the extraordinary talents of young mandolin player Joe Tozer and the driving and technically demanding double bass playing and harmony vocals of John Breese. With a focus on original songs with a strong pop sensibility and energetic live shows, this is a group of musicians who are very, very excited about what this line up can create and that's what makes this acoustic quartet so special.

Defibrillators

We are looking into the possibility of purchasing these life saving devices, possibly one for each of the villages of Headon, Grove & Stokeham.

Grove Road Level Crossing

District Councillor Teresa Critchley is keen to hear from all residents regarding their experiences of delays caused by the crossing. Please feel free to email Teresa at teresa.critchley@bassetlaw.gov.uk. She is gathering evidence to help support the replacement of the crossing.

Police

PC Bailey advised of two crimes in the village this month. A vehicle had its wheels stolen on Yew Tree Road and a 4x4 drove around a field causing crop damage. Dial 999 if you see a crime being committed.

Garden Refuse Collection

Bassetlaw District Council has agreed to expand their Refuse Service to include a fortnightly kerbside garden waste collection service from March 2017 to November 2017. This will be an opt-in chargeable service at £30pa. A discussion about the possible implications of this to residents followed. It was pointed out that in other districts such a scheme has led to the forbidding of all organic waste in the general rubbish and concern was expressed that this may well happen here.

Report a Road Problem

You are encouraged to report any highways faults, flooding or overgrown verges using the Notts County Council's Highways fault reporting online system. If you google 'Notts County Council report a road problem' you will find the page for reporting anything from a pothole to a broken street lamp. If you email the clerk at headonpc@gmail.com, I will send you the link.

Public Forum Session

The 10 minute Public Forum session is at 7.30pm prior to the parish council meeting giving residents the chance to speak to members. Whilst you are welcome to watch the whole meeting, you are reminded that from 7.40pm when the parish council meeting has started, any discussion or interruptions from the public is not allowed.

Next Meeting

The next meeting is proposed for Monday 7th November 2016, commencing at 7.40pm at Headon Village Hall. The public forum session will take place from 7.30pm until 7.40pm.

Suspect Vehicles on Brigg Lane

No sooner has Brigg Lane been re-opened, than there have been reports of suspicious vehicles seen there in the last month.

It is quite likely that these vehicles are linked to hare coursing or other illegal goings on. (In fact one vehicle has been traced back to the travelling community in Birmingham).

Please keep your eyes open and if you see anything suspicious in the area then you should report it to our rural police officer PC Bailey (bill.bailey@nottinghamshire.pnn.police.uk) or dial 101.

If you see a crime in progress (such as hare coursing) then you should phone 999 immediately.

To contact the editor, e-mail chris@mcglen.co.uk or tel. 248187. Deadline for contributions the 27th of the month.
