International Celebrities visit Headdon!

From left to right:
IAN BEYER (Scotland), STEPHANE BEAUDETTE (Montreal, Canada), HAYLEY SKOUSEN (USA), MICHAEL ESPLIN (USA), JANET (Headdon),
CLARISSA FREEMYER (USA), SARA VALTONEN (Finland) JORGE ESCRIBANO (Spain)

I had just returned from walking the dog when I got a phone call asking if I could let some visitors into the church. When I got there, there was a group of seven young people who were clearly not locals. I was intrigued, so naturally I set out to discover more!

It turned out that that they came from the USA, Canada, Spain and Finland, they are top ranking ice skaters and part of the cast of "Disney on Ice—100 years of Magic".

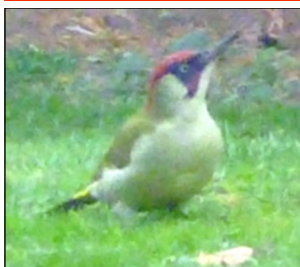

At this time they were appearing in Nottingham, and, having some spare time, had decided to follow the Robin Hood Churches Trail, which brought them to Headdon to see the Sheriff of Nottingham's tomb.

I made them tea and they told me a bit about themselves, their home countries and how much they enjoy visiting the different cities where they are appearing.

When I said that no-one would believe that they had been here, Jorge very kindly took this photo and even remembered to e-mail it to me!

They were a charming group of people, and I was delighted to have met them.

NB The show is on in Birmingham until November 14th, then in Sheffield from November 16th-21st

This handsome woodpecker has become a frequent visitor at Greenacres on Yew Tree Road. He spends a lot of time feeding on the ground—I'm not sure if that is usual for green woodpeckers. Perhaps someone will let us know!

Remember the little lost cat we told you about last month? Well, we are delighted to report that she has now got a new home!

Parish Council News
Notes from the Meeting held on Monday 1st November 2010

Vacancies for Parish Council Representatives for Grove

There are presently 2 vacancies for Parish Council members to represent Grove. If you can spare a little time and have an interest in local issues, please contact the Parish Clerk or Cllr. Jonathan Wallwin as soon as possible. Your input is vital in order to obtain the correct balance.

Flooding

A number of flooding issues within the parish are now under investigation by Nottinghamshire County Council and it is hoped that satisfactory outcomes will be reached for the variety of problems ranging from blocked dykes to suspected leaks. We are hopeful that updates on the various flooding issues will be available in time for the next Parish Council meeting. It is anticipated that repairs by Anglian Water to stop the running water at the top of Thorpe Street in Headon will be started on 16th November.

Nottinghamshire Wildlife Trust Project

The Nottinghamshire Wildlife Trust is applying for funds to support volunteers and local communities around the sites of Eaton, Gamston and Treswell Woods in the form of training sessions (woodland crafts, woodland management, horse logging, scything), deconstructing and rebuilding a shelter at Gamston Wood and installing interpretation boards to give visitors an idea of the wood's history and diversity. The Trust is looking for support from Parish Councils, local communities and interested groups in the form of written support and/or a small financial contribution.

The Parish Council considered this to be a worthwhile community project and offered support by way of a written letter and a financial pledge of £100. The trust need to raise £1,800 from community support as the initial 10% of the project costs have to be found locally before the £18,000 overall funding request can be considered by the Landfill Communities Fund.

If any individual or village group can offer support or require further information, please contact Aron Hughes, Development Officer, Nottinghamshire Wildlife Trust on 0115 958 8242 or email AHughes@nottswt.co.uk

Severe Winter Weather

The Parish Council were once again offered 5 free small bags of salt from Nottinghamshire County Council for the winter period. This brought about a discussion regarding last year's severe weather issues and it was suggested that the parish council ask the County Council whether a voluntary snow plough driving scheme could be considered to help residents to keep their roads clear. The suggestion was that if County Council could provide a plough, volunteers from the villages could use the plough to clear the roads.

Overgrown Hedges

A number of overgrown roadside hedges in the parish are proving to be a hazard to motorists. Nottinghamshire County Council and the Parish Council have contacted landowners to address these and as a result some of the hedges have now been trimmed.

Police

Only one crime was reported in the area this month; the theft of a quad bike from a workshop.

Village Hall

As usual, we had a great evening at the Harvest Supper. With 60 guests, we were about full to capacity. The food was wonderful, and we are grateful to all those who helped with cooking, preparation and serving.

We now have raffle tickets for the Christmas raffle. Prizes will be a Christmas hamper, a Christmas cake, Christmas pudding and various bottles! Any donations towards the prizes, especially the hamper, will be most welcome. The Draw will take place at the village Christmas Party on 17th December.

The Autumn Quiz will be on Friday 19th November. We hope to see you and your team there! See the ad on the back page.

Planning for the Over 60s Christmas dinner, on 5th December, is underway. Everyone aged 60 or over (with their partners of whatever age) will be invited to a fabulous—and free!— Christmas dinner. As always, it can be difficult to know people's ages, (and potentially embarrassing to ask!) so if you do not receive an invitation, but should have done, please contact Ann on 248388. She will be pleased to hear from you. Ann would also be grateful to hear from anyone who would be happy to help.
