October 2014

## Harvest Supper

**Saturday 18th October at 7.30pm**

**Headon Village Hall**

**Tickets £8 per person**

This year's Harvest Supper will again be organised by Beatrice McGlen. Last year all the ingredients, apart from the meat, were produced by various people in Headon and Upton. She is once again hoping to use as much local produce as possible this year. Offers of produce including eggs and vegetables would be very much welcomed.

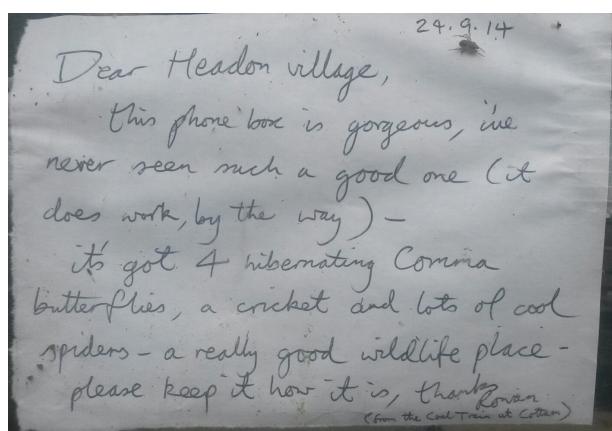

Tickets for the supper are £8 per person for a 3-course meal with the proceeds of evening going to St Peter's Church. If you would like to attend please contact Beatrice (Tel 248187) by Saturday 11th October so that numbers can be finalised.

## Headon Phone box

It appears that the phone box on Thorpe Street Headon may not have been used for some time. A mixture of ivy and nettles have taken over and it has even caught the attention of the eco-protestors, (who made the headlines this week by stopping a coal train at Cottam with a life size stuffed polar bear).

A note left by Rowan (from the coal train) points out a number of hibernating butterflies, a cricket and spiders that he found and urges the village to leave it as it is. Of course if it gets too overgrown, then even Superman may struggle to get changed.

## Parish Council News

This edition has been published before the next Parish Council meeting has taken place, which is scheduled for Monday 6<sup>th</sup> October 2014 at 7.30pm at Headon Village Hall. A report of this meeting will appear in the next edition.

## Gardening Corner

It's always nice to celebrate local success and the photo shows John Mosley's prize winning truss of tomatoes from the East Markham Gardener's Annual Show earlier in September.

John says he is always happy to pass on advice from his many years of experience and he can normally be found in his garden with his hands deep in compost.

When asked by the Editor for some pointers to put in this issue; John replied by saying his top tip for showing is to always buy the judge a beer the night before the show.

## Village Hall Waste Bins

The Village Hall Committee has asked that users of the hall use the correct recycling / waste bins within the kitchen. There have been several instances of putting non recyclable material being put into the wrong bins and this has caused items which could have been recycled having to be thrown away.  
Many thanks for your co-operation.

## St. Peter's Church

We are due an Autumn clean of the Church. The date planned is Saturday morning the 15<sup>th</sup> November. Everyone is welcome to come along and help. It's only for an hour from 10.30am and we might run to coffee and biscuits. If we could prevail upon a few of those living in our two villages to come along with a duster or even a vacuum cleaner that would be brilliant. More hands make lighter work. Many Thanks. Michael Browne

## **Nottinghamshire County Council Transport Proposals**

Nottinghamshire County Council is holding a series of exhibitions outlining the results of their recent passenger transport consultation and presenting new proposals for bus transport within the North Nottinghamshire area. The nearest location to us is Retford Bus Station and the plans will be available for inspection and comment on:

**Thursday 9th October 9.30-12.00 and Friday 10th October 13.00-14.30**

## **Headon Quiz – 12th September**

Six teams took part in the annual Village Hall quiz with scores ranging from 67 –81 out of an 100; the winning team being 'A bridge too far' from East Markham. As in every quiz there is a mix of easy and hard questions and the following two questions were those that nobody answered correctly on the night. If you can get them correct (without reverting to Google) then perhaps you should come along to the next event.

1. Which song released in 1998 is the biggest selling single ever by a female artist in the UK?
2. Which famous London street takes its name from a croquet type game played in the 17<sup>th</sup> century?

Answers on the back page.
