

# Heads - Up!

*The newsletter for Headon and Upton*

December 2011

We wish all our readers a very Merry Christmas and a Happy New Year!

## Village Christmas Party

Saturday December 17th from 8.00 p.m.  
in the Village Hall

Everyone welcome!  
The more the merrier!

Just bring a contribution to  
the party food!

## VILLAGE HALL

The **Christmas dinner** last Sunday was a big success! Many thanks to all the people whose hard work made it go so well. There was a happy, convivial atmosphere, the food was excellent and there was plenty of help—we couldn't have asked for more.

The **Village Christmas Party** is on December 17th, please note that it is on Saturday this year (see details above). Do come and join in! It's a great opportunity to wish neighbours a Happy Christmas, to exchange Christmas cards and, most of all, to have a good time! All we ask is that you bring a contribution to the party food—savoury or sweet, anything will be welcomed.

The next **Cinema** showing will be on January 7th, and will be "The Girl Who Played With Fire" - the second instalment of the Dragon Tattoo/Millenium Trilogy.

We are still not sure whether or not the **Whist Drives** will be able to continue. The next, and possibly the last one, will be the Christmas Whist Drive on December 20<sup>th</sup>. Any offers of help will be gratefully received by John Mosley (248564)!

Please note that there will be no newsletter in January.

## Parish Council News

### Notes from the Meeting held on Monday 5<sup>th</sup> December 2011

#### Parish Council Vacancy

There is still one vacancy for a parish council member at Grove. We ask you to please contact the clerk or Cllr. Jonathan Wallwin if you are interested in becoming a parish council member and making our team complete. Your main commitment is to attend 10 evening meetings per year and to be a contact for residents between meetings. The level of involvement outside of this commitment is purely dependent on your own interests.

#### Broadband Speed Issues

It is believed that Bassetlaw DC has submitted a funding bid for improvements to broadband speed issues in Bassetlaw, approx 48,000 Bassetlaw properties are set to benefit as a result. Bassetlaw is one of the poorest broadband areas in the country but it has been recognised that we are also one of the slowest to respond to tackling the issue. Although we are told our parish is considered not to be "high need" at the moment, in order to encourage the Council to take positive steps to improve broadband in Bassetlaw as a whole, a letter will be sent to the leader of BDC, Graham Oxby, to ask for support in improving broadband speed problems. Meanwhile, we will take steps ourselves to determine how broadband speed issues are affecting our parish.

#### IMPORTANT: Broadband Speed Questionnaire...

To determine the level of need in our parish, the Parish Council has now put together a short broadband questionnaire which will be circulated to each home in the parish villages of Headon, Upton, Grove and Stokeham. It is very important that you complete the survey and send your responses via the methods outlined on the survey sheet. Please note that an online version will be made available. Many thanks for your co-operation with this. Your responses will be very important in determining the level of need in this parish so that we can put our case forward to benefit from funding.

#### New Bus Shelter

We have received confirmation that the new bus shelter we requested for the bus stop near the Church Street junction on Yew Tree Road, Headon, will be installed by the end of March 2012. We have requested a wooden shelter in keeping with others in the area and suitable to its rural location.

#### Seasons Greetings!

On behalf of the Parish Council, I would like to wish everyone a wonderful Christmas and a healthy, happy and prosperous New Year. Make sure you all have a lovely time. See you next year!

#### Police

PC Bailey advised that there have been 2 crimes in the last month, both thefts of power cable, one in Stokeham and one in Headon. Cable theft is still a main concern in rural areas. A metal theft task force has been set up to try to combat this and there have been some arrests.

Reminder... The national non-emergency number for contacting the police is now live. Call 101 from anywhere in the country to contact the local police for the area you are calling from. The cost of the call, regardless of length of call or whether landline or mobile, is 15p. The 0300 number will continue to work until January 2012 when it will be replaced by a recorded message.

PC 1695 Bill Bailey can be contacted on 0300 300 9999 ext. 807 7364

A message from Michael Browne:

'As we approach the Christmas period, it is perhaps time to think about our marvelous Church. It has stood the test of time and welcomes a regular congregation twice a month. Inevitably it takes some maintenance and we must also pay a contribution to the Parish share each year. Many people already give by means of donations or regular covenanted payments and these are greatly appreciated.

There may be others who might feel able to help either with a one off payment or committing to a regular monthly, quarterly or annual covenant. Some might even consider bequeathing a sum of money to the Church in their wills, perhaps by means of a simple codicil.

If you feel able to help in any of these ways do please contact me on 249552.

Michael Browne'
