## CONGRATULATIONS ANNE, ALWYN AND FIRST MATE—THE WONDER HORSE!

This beautiful horse, called First Mate, raced 4 times and then, because the syndicate who owned him split up, he and 8 other horses were destined for the abattoir. Anne Varley heard about him from a friend in Ireland. Anne says:

"He sounded nice and because I am superstitious (I had been successfully showing a lovely horse for Janet Askew called Best Buddy, so I thought it was a good omen) we brought him over here. We worked hard with him over the winter months and have shown him in what are known as Retrained Racehorse Classes (ROR)

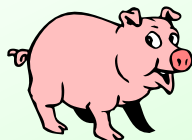

He has done extremely well winning and being placed at many shows throughout the summer, being Champion at Hambleton, reserve champion at Bakewell Show and qualifying for Hickstead( Royal International Horse Show) and also for TARRA (Thoroughbred and Retired Racehorse Association) Championships which were held on Newmarket Racecourse- August 14th. There he competed along with 31 other ex racehorses who had also qualified at shows throughout the country where he finished reserve champion. This I think just goes to show how versatile the thoroughbred horse is and that there is life for them after racing." Anne adds a postscript to this story, telling me that First Mate was Champion ex-Racehorse and reserve Supreme Champion at Moorgreen Show on Bank Holiday Monday (August 30th).

There are presently 2 vacancies for Parish Council members to represent Grove.

**Flooding**

A number of flooding issues continue to be addressed by the Parish Council, these include blocked dykes, inadequate areas of drainage and running water issues. Reaching a satisfactory conclusion to the problems is proving to be difficult due to them being considered low priority by the authorities involved and the fact that some of the problem flooding places stem from areas on private land. The Parish Council will continue to address the issues until they are resolved.

## Village Hall

We were lucky to have good weather for the Summer Barbecue & Skittles, on August 14th. But, the forecast had not been good, so maybe that was why attendance was, disappointingly, way down on last year.

Nevertheless, it was a most enjoyable evening. We enjoyed delicious burgers and hot dogs, cooked and served by Nigel and Rosie, had a go at the traditional skittles and threw coins at the whisky bottle—amongst other things!

A note for your diaries: the next Village Hall event will be the Harvest Supper on October 15th. Followed by the Quiz on October 29th.

## St. Peter's Church

Last minute preparations are now being made for the Pork'n'Jazz evening on Saturday the 11th. We do hope that you will support this event— it should be a good evening and the church really needs your help, so do come, and bring your friends and family! See the ad the back page.

Rev. Julia has recently undergone a throat operation, and will not be working for a few weeks. We wish her a full and speedy recovery.
