## The Neighbourhood Plan

Thank you to everyone who completed the recent resident and business surveys. There was a very good response which means future plans will be soundly based on what the people of our villages really want.

The analysis of all the responses is now underway and you are invited to pop in and have a look at the results and chat to the HUGS Neighbourhood Plan team at:

## Village Hall Events

A couple of events were held in the Village Hall over the past month. On the 11th February Máire Ni Chathasaigh & Chris Newman played a mix of Irish harp and acoustic guitar to an welcoming audience. It appears that the performing duo also enjoyed their experience as outlined in a note from Máire to Dave Burton a few days later

*Dear Dave*

*Just a quick note to say thanks a million once again for a most enjoyable evening in Headon last Saturday. We had a great time! It's always such a treat to play in your lovely hall to your lovely, appreciative audience. We hope very much hope to visit Headon and see you all again in the future.*

*Kind regards*

*Máire*

At the back end of January the annual Burns Night Supper was held and was again well attended as diners toasted the health of the Scottish Bard with haggis and a 'wee dram'. The photograph shows the kitchen staff preparing for the event with matters (as you would expect) obviously well under control.

## London Marathon 2017

Many of you will have seen me running around the local area (looking distressed probably) over the winter months. Well the reason for such lunacy is that I'm running in this year's London Marathon on April 23rd which will be my first (and last). With just under 7 weeks to go, this is the point in my training, where I start to ramp up my distances. So if you see me flagging by the roadside either offer some words of encouragement or a lift home, which ever you see fit.

I am running to raise money for two worthwhile causes. The first is our local Village Hall; as the centre of our community it serves many roles from staging events to providing a base for regular user groups.

The second is a new charity based at the Idle Valley Nature Reserve in Retford called Muddy Fork. The aim of the scheme is to help people experiencing mental health challenges take back control of their lives through gardening & conservation activities. I have been volunteering here as a support worker for a couple of years teaching beekeeping and helping with other activities.

If you would like to donate to either cause (or both) you can do so online at:

Headon Village Hall: - <http://uk.virginmoneygiving.com/ChrisMcGlen1>

Muddy Fork: - <https://mydonate.bt.com/fundraisers/chrismcglen1>

Both organisations can reclaim the tax on your donation so please (if you are a taxpayer) tick the gift aid box.

Many Thanks—Chris McGlen

## ST PETER'S CHURCH HEADON

We are blessed in the Village with a wonderful old Church but it does need some care and attention from time to time. If you feel able to support the Church in any of the following ways that would be really appreciated.

1. If you would like to enter into a covenant to make a monthly or annual payment to the Church then please contact Michael Browne on 01777 249552.
2. If you would like to volunteer to join the band of Churchyard grass cutters then please contact John Mosley who will be happy to put you on the list to mow, probably no more than once a year. The Church has an excellent mower. John's number is 01777 248564.
3. If you are prepared to join the small band of people who help to keep the Church clean then look out for details in Heads Up from time to time. We normally plan two sessions a year in addition to cleaning before each service.
4. If you would like to join the congregation for any of the services you would be made most welcome. There are two services a month and details are posted in Heads Up.

Please support the fund raising efforts. We normally have an Easter Feast and a Harvest supper, both in the Village Hall and again details will appear in Heads Up.

If you already support the Church in any of the above ways then please accept our grateful thanks,

Michael Browne on behalf of the Parochial Church Council

### **Spring / Summer grazing wanted - Upton.**

We have recently moved into Upton with our horses and are looking for some additional grazing to rent for the summer months. We have plenty of fencing and have equipment to maintain any grassland that maybe available. We would ensure that they are properly fenced and that the paddocks are well managed so that they are kept in good order. Any possibilities please contact Tom Eastwood on 07855 413 350 or [tom@eastwoodanglo.com](mailto:tom@eastwoodanglo.com).

To contact the editor, e-mail [chris@mcglen.co.uk](mailto:chris@mcglen.co.uk) or tel. 248187. Deadline for contributions the 27th of the month.
