# Parish Council Matters

## Highlights from the Parish Council Meeting held on Monday 17 December 2018 at Headon Village Hall

**Members Present:** Eric Briggs (Stokeham), Julia Harvey (Headon), Fred Withers (Stokeham), Janet Askew (Upton), Sean Whelan (Upton)

### Public Forum

Two members of the public were welcomed to the meeting.

### Lengthsman

Focus has been on clearing entries to public rights of way footpaths in Headon recently alongside his normal duties.

### Police Report

No Police Report had been received. However, Cllr Harvey highlighted that there had been at least four known burglaries in the villages and neighbouring communities in the last few weeks (East Drayton, Headon, Upton and Whimpton Moor).

### Footpaths/Highways

Several Councillors highlighted that the newly resurfaced Yew Tree Road is dangerous due to the increased height giving a drop off along the edges. The edges are also breaking away already. Cllrs reported that the footpath from Upton to Oregon House is also breaking away. There has also been some flytipping on both sides of Grove village recently.

### Planning Applications

#### *18/01321/FUL Erect Agricultural Storage Building Land South of Drayton Road, Upton*

The Council has registered its concerns with Bassetlaw Planning but can do nothing other than monitor the situation.

#### *18/01446/FUL Erect 3 dwellings – land at Hilltop Farm, Upton*

No representatives from the applicants joined the meeting for the public forum as they notified the Council of their intention to withdraw the application pending further consultation with residents.

### Speeding

Speeding is ongoing and increasing, particularly since the resurfacing of Yew Tree Road. The 30mph signage that was installed around the village by the Parish Council in 2018 was a start but many councillors wanted to explore what more can be done. Cllr Wielgus highlighted that an interactive speed sign, either fixed or movable, had been explored in the past and was deemed quite expensive unless a grant can be achieved. Cllr Harvey reported that she'd requested Rampton Hospital to provide a contribution towards the cost of the sign as it was an important safety aspect for employees commuting to the hospital. Cllr Harvey has recently been in touch with Via who stated that the 30mph signs installed around the villages were not always appropriate on lit roads because they are 'unnecessary signage' when the national rules state that lit roads, unless otherwise marked, are always 30mph. Via have confirmed that, on request from Cllr Harvey, that a temporary interactive speed sign will be installed for 6-8 weeks from Jan 2019 on Yew Tree Road.

### Moving the Parish Council Forward

The Council is here to serve the villages and would welcome any comments on how you feel we can most effectively fulfil this obligation. We have vacancies for councillors but wish to encourage villagers, who do not necessarily wish to be a councillor, to express their views.

**Any comments, please send to: [headonpc@googlemail.com](mailto:headonpc@googlemail.com)**

### Future meetings

The next meeting is to be held on Monday 4th February at 7.30 pm at Headon Village Hall. A 10 minute public forum will start at 7.30pm followed by the meeting.

Future meetings will be held on the 4th March and 1st April.

## Village Email List

Following the recent spate of burglaries I would like to encourage people to sign up for my village email list. We all need to be vigilant and to watch out for one another and one another's properties. Through this email list, when I hear of a problem or sighting I can very quickly warn residents of what is happening.

I also use this email to warn people about suspicious vehicles and activities, for lost and found pets etc. and very occasionally to advertise an event.

If you would like to be added to this list, please email me at: [janet@thorpe-house.com](mailto:janet@thorpe-house.com)

## Bassetlaw Draft Strategic Plan

Bassetlaw District Council is currently in the early stages of preparing its new Local long Term Development Plan for the district of Bassetlaw. It is expected that this plan will be adopted in February 2021, with an intended lifespan of 15 years. As part of this process it has published a consultation document.

Included within the plan are proposals for two new garden villages at Gamston Airfield and Bevercotes Colliery. Together these sites will comprise the 'North Nottinghamshire Garden Community' which is expected to deliver in the region of 4000 new homes. Of this overall growth, 1000 new homes will come forward within the lifetime of the Bassetlaw Plan, with the remaining 3000 being delivered beyond 2035.

Further details of the plan and the process can be found at:  
<https://www.bassetlaw.gov.uk/media/3820/draft-bp-pt1-web-version.pdf>

To contact the editor, e-mail chris@mcglen.co.uk. Deadline for contributions the 27th of the month.
