Defibrillator Training

Each of the four villages in the Parish has a defibrillator available in case of an emergency. These are situated at Headon Village Hall, Upton Main Street, Stokeham Church and the telephone box on Grove Main Street. It is important that people know how to use them should they be required.

The Parish Council has organised a further training session on Saturday May 18th at 6pm at Headon Village Hall and encourages anyone who didn't attend the first session, plus those wishing to brush up their skills to come along. Places are still available but if numbers are over subscribed on the night, then priority will be given to those attending for the first time. To register an interest please contact Julia Harvey via email j.harvey51@btinternet.com or telephone 07817 849886.

Evelyn Walker

Pat and Jill Walker would like to thank everyone who sent cards and condolences following the death of Evelyn on 8th March. It was lovely to see a packed church at Headon and good to see so many villagers there and in the village hall afterwards. Thank you also to those who helped at the funeral with car parking, village hall preparations and washing up afterwards. It was much appreciated.

Village Hall Music Events

The past month has seen two very different successful events staged at Headon Village. At the end of March, Sensation (opposite), brought the music of ABBA to life with a high energy tribute act.

A few weeks later saw the return of Flossie Malavialle accompanied by Keith Donnelly who entertained the audience with a mixture of covers, original folk compositions and offbeat comedy.

The next music event will be Granny's Attic, three young folk musicians who were recent BBC Radio2 Young Folk Nominees. They

will be appearing on Friday 28th June and as always tickets are available from Dave Burton on 01777-248085 or jimsdad7@btinternet.com

Village Email List

Following the recent spate of burglaries I would like to encourage people to sign up for my village email list. We all need to be vigilant and to watch out for one another and one another's properties. Through this email list, when I hear of a problem or sighting I can very quickly warn residents of what is happening.

I also use this email to warn people about suspicious vehicles and activities, for lost and found pets etc. and very occasionally to advertise an event. If you would like to be added to this list, please email me at: janet@thorpe-house.com Janet Landon

To contact the editor, e-mail chris@mcglen.co.uk. Deadline for contributions the 27th of the month.
