# **Headon– cum– Upton, Grove & Stokeham Parish Council**

Brief notes from the recent Parish Council meeting on the 7th October 2019. The full minutes are displayed on the four parish noticeboards.

No further information has been received regarding Grove War memorial restoration. No further information received from Rampton Hospital regarding the manufacture of wooden planters for the parish.

Further work to be done regarding noticeboards. We may consider using recycled plastic wood effect products. The Clerk has been in contact with an neighbouring Clerk and has been informed that potential external funding may be available. It was further agreed that the location of any new notice boards would be the same as the existing noticeboards.

PC Nathan Thomas is the new police officer for this area. He has five years experience of rural policing. Emergency calls via the 999 number and other nonemergency items to be reported via the 101 number. If you are unhappy with the response using the 101 number, log a complaint. Logged complaints will provide feedback that may influence future improvements to the 101 service.

Details of recent criminal activities are:- no dwelling burglaries, one burglary other than to a dwelling, one criminal damage, one fly tipping, one theft of motor vehicle and one in relation to animals/wildlife A street by street break down of crime can be found on [police.co.uk](http://police.co.uk) . The police data for the parish shows a very low crime, clearly not without its issues but they appear to be much more about the speeding vehicles and poaching/ damage to crops.

A discussion took place about village security cameras and it was felt that although a good idea factors such as; the cost to buy the cameras, installation costs, on going maintenance costs and who would monitor the cameras. The consensus was not to progress this idea.

The Parish Council can hold a secret ballot if it is within the councils standing order. At this time there is no provision within the Parish Councils standing orders for secret ballots. Any changes in the councils standing orders would require the council to give notice of the proposed change. The consensus was that the council wishes to remain transparent. Future secret ballots would be reserved for any planning applications that the council deems to warrant a secret ballot. It is the Parish Councils thinking that we should use secret ballots in extremely rare circumstances and definitely won't be common practice. Notices concerning secret ballots were posted on the parish notice boards on the 24th September 2019.

A planning application had been received on the 2nd October 2019 relating to The Old Blacksmith Shop, Main Street, Grove - single storey rear extension Ref: PP-08173300. The Parish Council will respond to the above application with a neutral response.

Bassetlaw District Council has now served an enforcement notice on Headon Camp which requires the removal of the unauthorised flues and plant. We understand that the notice was served around 3 weeks ago. The notice takes effect 28 days after being served and there is then a compliance period which we believe in this instance is 4 months. Bassetlaw District Council need to set out a reasonable compliance period having regard to the business as this could potentially be a ground of appeal against the notice.

The following streetlight faults reported to NCC - Lamp column 19 Yew Tree Road, light not working and lamp column 1 Nether Headon, column leaning.

The Parish Council accounts show the current account at £8,937.89 and the savings account at £9,778.34. The second instalment of parishes precept has been received from Bassetlaw BC and is £3909.50. It was agreed that it should be transferred into the savings account.

It was agreed that the Parish Churches and Village Hall committee will be contacted and asked to send an email to the Parish Council requesting grants. Unless an email is received the grants will not be approved.

**The date of the next Parish Council meeting is on Monday 4th November 2019 at 19:30hr held at Headon Village Hall.**

**Why not come along and see what is happening in your parish?**
